The number of participants is limited to 190 persons. If more registrations are received, priority will be given to participants who have responded to the advance notice.

Accommodation will be provided in three hotels and the allocation to the hotels will be mainly based on parking facilities. Towing vehicles and trailers or transporters (as well as their Topolinos) can only be parked outside at the Hotel Scheidberg. The other two hotels have underground garages so that the Topolinos (including open vehicles) are protected from the weather.

Participants arriving only with the Topolino will be accommodated preferably in the Victor's Hotel and the Bahnhof-Hotel (neighboring) in Saarlouis, if the room capacities in Hotel Scheidberg are full. Soon after registration, you will be informed which hotel is intended for you, so that additional bookings can be made with the correct hotel itself.

Tour of the Saarland

Dear Topolino friends,

this year we are on the road in the very west of Germany. As always, we will explore the tranquil landscape and villages of the Saarland on roads suitable for Topolino, away from the main routes.

For 250 years, coal mining dominated life in the Saarland. Many of the former sites and witnesses of the past are now cultural sites with a unique atmosphere. The proximity to France determines the culinary delights and also the way of life that makes the Saarland so appealing.

Not only industrial dynasties but also the Celts and Romans, castle lords, abbots and kings have left imposing testimonies in the Saarland. This year's international tour of the Topolino Club Germany will take us through these landscapes, towns and also over old road connections. We are looking forward to welcoming many friends of our partner clubs of the Federazione in Saarland.

Because of current uncertainty of the realization of meetings and trips due to the general health situation, restrictions, a cancellation or postponement of the trip must be reserved.

Money back guarantee!

In case of a (unlikely) cancellation/postponement due to the Corona pandemic, the Topolino Club Germany will refund 100% of the participant fees.
